Weapons expertise for sport shooters §7 WaffG. Planning 1st quarter 2022

Together with our host SG Buchschlag 1930 e. V., we are planning a state-approved weapons expertise training with examination in Dreieich-Buchschlag in the 1st quarter of 2022.

The event consists of three parts:

1. weapons knowledge and technology.

In small groups, weapons of various designs will be explained technically, markings will be explained and operation and handling will be demonstrated.

2. theory lecture

Based on the questionnaire, the instructors will give a PowerPoint presentation with detailed explanations of points relevant to the examination and answer open questions from the participants.

3rd exam

Written examination according to the questionnaire of the BVA, practical examination with firing.

The dates have not yet been fixed, but interested parties can already register with us and will be contacted when the event is scheduled.

If you are interested or have any questions, please send a short mail to: schilling@schroeder-ohg.de
